

The Torridge Inn Thai Diner

We believe that Thai cuisine should be a dining experience that invigorates the senses, an explosion of exotic tastes combined with unique aromatic scents.

Here at The Torridge Inn Thai Diner we pride ourselves in creating the most authentic Thai dining experience. We do this by importing ingredients directly from Thailand and by using the very best quality fresh local produce.

All our dishes, curry pastes, and dips are hand made in the traditional Thai way by our well experienced cooks.

We hope you enjoy!
